ARTICLE I. DOG CONTROL, DANGEROUS AND VICIOUS DOGS

SECTION 1: Definition

(A) As used in this section:

(1) (a) "Dangerous dog", means a dog, that without provocation, and subject to division (A)(1)(b) of this section, has chased or approached in either a menacing fashion or an apparent attitude of attack, or has attempted to bite or otherwise endanger any person, while that dog is off the premises of its owner, keeper, or harborer and not under the reasonable control of its owner, keeper, harborer, or some other responsible person, or not physically restrained or confined in a locked pen which has a top, locked fenced yard, or other locked enclosure which has a top.

(b) "Dangerous dog", does not include a police dog that has chased or approached in either a menacing fashion or an apparent attitude of attack, or has attempted to bite or otherwise endanger any person while the police dog is being used to assist one or more law enforcement officers in the performance of their official duties.

(2) "Menacing fashion", means that a dog would cause any person being chased or approached to reasonably believe that the dog will cause physical injury to that person.

(3) "Police dog", means a dog that has been trained, and may be used, to assist one or more law enforcement officers in the performance of their official duties.
(4) (a) "Vicious dog", means a dog that, without provocation, and subject to division (A)(4)(b) of this section meets any of the following:

(i) Has killed or caused serious injury to any person;

(ii) Has caused injury, other than killing or serious injury, to any person, or has killed another dog.

(iii) Belongs to a breed that is commonly known as a pit bull dog. The ownership, keeping or harboring of such a breed of dog shall be prima facie evidence of the ownership, keeping or harboring of a vicious dog.

(b) "Vicious dog" does not include either of the following:

(i) A police dog that has killed or caused serious injury to any person, or that has caused injury, other than killing or serious injury, to any person while the police dog is being used to assist one or more law enforcement officers in the performance of their official duties.

(ii) A dog that has killed or caused serious injury to any person while a person was committing or attempting to commit a trespass or other criminal offense on the property of the owner, keeper, or harborer of the dog.

(5) "Without provocation", means that a dog was not teased, tormented, or abused by a person or that the dog was not coming to the aid or the defense of a person who was not engaged in illegal or criminal activity and who was not using the dog as a means of carrying out such activity.

(B) Upon the transfer of ownership of any dog, the seller of the dog shall give the buyer a transfer of ownership certificate that shall be signed by the seller. The certificate shall contain the registration number of the dog, the name of the seller, and a brief description of the dog. Blank forms of the certificate may be obtained from the county auditor. A transfer of ownership shall be recorded by the auditor upon presentation of a transfer of ownership certificate that is signed by the former owner and that is accompanied by a fee as prescribed by law.

(C) Prior to the transfer of ownership or possession of any dog, upon the buyer or other transferee's request, the seller or other transferor of the dog shall give to the person a written notice relative to the behavior and propensities of the dog.

(D) Within ten (10) days after the transfer of ownership or possession of any dog, if the seller or other transferor of the dog has knowledge that the dog is a dangerous or vicious dog, he shall give to the buyer or other transferee, the board of health for the district in which the buyer or transferee resides, and the dog warden of the county in which the buyer or other transferee resides, a completed copy of a written form on which the seller shall furnish the following information:

"Has the dog ever bitten a person? If yes, describe the incident(s) in which the behavior occurred."

"Has the dog ever seriously injured or killed a person? If yes, describe the incident(s) in which the behavior occurred."

The dog warden of the county in which the seller resides shall furnish the form to the seller at no cost according to ORC 955.11.
(E) No seller or other transferor of a dog shall fail to comply with the applicable requirements of divisions (B) to (D) of this section.

SECTION 2: Control and Restraint

(A) As used in this section, “dangerous dog” and “vicious dog” have the same meaning as in Section 1 of this resolution.

(B) No owner, keeper or harborer of any female dog shall permit it to go beyond the premises of the owner, keeper or harborer at any time the dog is in heat, unless the dog is properly in leash.

(C) Except when a dog is lawfully engaged in hunting and accompanied by the owner, keeper, harborer, or handler of the dog, no owner, keeper, harborer, or handler of any dog shall fail at any time to do either of the following:

(1) Keep the dog physically confined or restrained upon the premises of the owner, keeper, or harborer, or property of another with their permission, by an adequate leash, tether, fence, supervision or secure enclosure to prevent escape;

(2) Keep the dog under reasonable control of some person.

(D) Except when a “dangerous dog” or “vicious dog” is lawfully engaged in hunting or training for the purpose of hunting and is accompanied by the owner, keeper, harborer or handler of the dog, no owner, keeper or harborer of a vicious dog shall fail to do either of the following:

(1) While that dog is on the premises of the owner, keeper or harborer, securely confine it at all times in a locked pen which has a top and concrete floor, locked fenced yard, or other locked enclosure which has a top and constructed in a manner to prevent the dog from escaping under the fence or enclosure, except that a dangerous dog may, in the alternative, be tied with a chain-link leash or tether of sufficient strength so that the dog is adequately restrained;

(2) While that dog is off the premises of the owner, keeper or harborer, keep that dog on a chain-link leash or tether of adequate strength that is not more than six feet in length and additionally do at least one of the following:

a) Keep that dog in a locked pen that has a top, concrete floor, locked fence yard, or other locked enclosure that has a top;

b) Have the leash or tether controlled by a person who is of suitable age and discretion or securely attach, tie, or affix the leash or tether to the ground or a stationary object or fixture so that the dog is adequately restrained and station such a person in close enough proximity to that dog so as to prevent it from causing injury to any person;

c) Muzzle that dog.

(E) The owner, keeper or harborer of a vicious dog or a dog commonly known as a pit bull shall give written notice that such dog is located on his property to all adjacent and contiguous property owners and/or residents and shall register the dog with the township zoning inspector during business hours with proof of dog license, rabies inoculation, and liability insurance as provided below.

(F) No owner, keeper or harborer of a vicious dog shall fail to obtain liability insurance with an insurer authorized to write liability insurance in this State providing coverage in each occurrence, subject to a limit, exclusive of interest and costs, of not less than One Hundred Thousand Dollars because of damage or bodily injury to or death of a person caused by the vicious dog. The owner, keeper or harborer of a vicious breed of dog commonly known as a pit bull shall in addition to the One Hundred Thousand Dollar Liability Insurance shall obtain and maintain a One Million Dollar Umbrella Liability Insurance Policy. Proof of said insurance shall be made to the township zoning inspector upon his request.
(G) No person shall do any of the following:

1) Debark or surgically silence a dog that the person knows or has reason to believe is a vicious dog;

2) Possess a vicious dog if the person knows or has reason to believe that the dog has been debarked or surgically silenced;

3) Falsely attest on a waiver form provided by the veterinarian under division G of this section that the person's dog is not a vicious dog or otherwise provide false information on that written waiver form.

(H) Before a veterinarian debarks or surgically silences a dog, the veterinarian may give the owner of the dog a written waiver form that attests that the dog is not a vicious dog. The written waiver form shall include all of the following:

1) The veterinarian's license number and current business address;

2) The number of the license of the dog if the dog is licensed;

3) A reasonable description of the age, coloring, and gender of the dog as well as any notable markings on the dog;

4) The signature of the owner of the dog attesting that the owner's dog is not a vicious dog;

5) A statement that division (F) of Section 955.22 of the Ohio Revised Code prohibits any person from doing any of the following:

(a) Debarking or surgically silencing a dog that the person knows or has reason to believe is a vicious dog;

(b) Possessing a vicious dog if the person knows or has reason to believe that the dog has been debarked or surgically silenced;

(c) Falsely attesting on a waiver form provided by the veterinarian under division (G) of Section 955.22 Ohio Revised Code that the person's dog is not a vicious dog or otherwise provide false information on the written waiver form.

(I) It is an affirmative defense to a charge of a violation of division (G) of this Section that the veterinarian who is charged with the violation obtained, prior to debarking or surgically silencing the dog, a written waiver form that complies with division (H) of this section and asserts that the dog is not a vicious dog.

(J) It shall be prima facie evidence that a dog is not under the required control if such dog chases, injures, menaces or kills any person or domestic animal or commits any nuisance upon property other than of its owner, keeper or harborer.

SECTION 3: Barking and Noisy Dogs

No person shall keep or harbor any dog which howls, yelps or barks or emits audible sounds which are unreasonably loud or disturbing and persistent in intensity and duration so as to disturb the peace and quiet of the neighborhood or to be detrimental to the life, health and safety of any individual. Such howling, yelping or barking shall be deemed a violation of this section if the howling, yelping or barking is audible outside the premises of the location of said dog and persists continually for a period of five (5) minutes or more between the hours of 8:00 PM to 8:00 AM and for a period of ten (10) minutes or more from 8:00 AM to 8:00 PM.

(B) No owner, keeper or harbore of any dog that defecates upon property of another shall fail to immediately remove any and all feces deposited by such dog from the property of another, including public parks or other public property. The owner of or person having charge of such dog shall immediately dispose of such feces in a sanitary manner.

SECTION 6: Prohibition of Certain Vicious Breeds

(A) The keeping and harboring of any cross or mix breed of a wolf and dog shall constitute a nuisance and threat to the health and safety of the general public and shall be prohibited.

SECTION 7: Exemptions

This Resolution does not apply to:

(1) The owner or person in charge of a dog that is assisting a blind, deaf or handicapped person and such person either is unaware that the dog's activities are in violation of this Resolution or is unable to comply with this Resolution, except for a dangerous or vicious dog, in which case this Resolution shall fully apply.
