APPENDIX D:
**MEETING &
PROMOTIONAL
MATERIALS**

West Parking Lot

MEETING AGENDA

Initial meeting with the Schools 9/12/2018 in order to gauge interest in pursuing Safe Routes to School funding and programming.

Funding for Safe Routes to School

First Create a school Travel plan

Need Student travel data (schools) saferoutesdata.org

- Engineering

Sidewalks, bike racks, signage, crosswalk painting

- Education & Encouragement

Safety training, walk/bike to school day

<http://www.dot.state.oh.us/Divisions/Planning/ProgramManagement/HighwaySafety/ActiveTransportation/Pages/Education.aspx>

- Enforcement Evaluation, and Equity

Where the schools come in:

School Data

The National Center provides a data system for local, regional, and state SRTS partners to enter and view data collected using the standardized Student Travel Tally and Parent Survey questionnaires. Use of the data system is free and available to any school. The system will generate summary reports to make it easy to share findings with community stakeholders and others interested in understanding walking and biking rates for students.

MEETING AGENDA

First Official Safe Routes to School Team meeting to move things forward with sign in sheet

Krista Beniston-Boardman Zoning

Patricia Sweeney-Health Commissioner

Justin Mondok-Eastgate

Glen Patton-BPD

Michael Sweeney-BPD

Bob Durbin-County Engineer

Jack Zocolo-BSD

SAFE ROUTES **BOARDMAN**

What is Safe Routes?

The purpose of Safe Routes to School is to encourage and enable K-8 students to walk or ride their bicycles to school. The program is administered by the Ohio Department of Transportation.

Who else has done this?

In September 2018, ODOT announced that Youngstown received nearly \$400,000 for Safe Routes to School funding. The program has also been used in Poland, Canfield, Lowellville and many other communities in the region.

What can the funds be used for?

Safe Routes funding can be used for physical improvements (engineering) such as improved crosswalks, sidewalks, lighting, etc.. Funds can also be used for education and encouragement programming, such as bicycle rider/pedestrian training and a frequent pedestrian/rider program.

WE NEED YOUR HELP!

Please fill out the Parent Survey here

https://odot.formstack.com/forms/srts_parent_survey

Your input and responses will be used to help identify target areas for infrastructure and will allow us to address any concerns that you might have regarding infrastructure surrounding the schools.

SAFE ROUTES BOARDMAN

Public MEETING

Boardman Local Schools and the Township are currently in the process of developing a Safe Routes to School Travel Plan and we would love your input!

The **Safe Routes to School program**, will be used to encourage and enable K-8 students to walk or ride their bicycles to school. Safe Routes funding can be used for physical improvements as well as education.
