THE BOARDMAN TOWNSHIP MAILBOX POLICY FOR THE ROAD DEPARTMENT

Mailboxes that become damaged during snow and ice control activities will be repaired by the Boardman Road Department. If the Road Department determines that the mailbox is unrepairable, the Boardman Township Trustees will reimburse the resident the cost of a new mailbox up to \$75.00.

In order to receive reimbursement:

The resident shall report the damaged mailbox to the Road Department (330)726-4190

The Road Department shall take a photo of the mailbox and determine if it is unrepairable and notify the resident of their finding

The resident shall purchase a new mailbox, notify the Road Department when it is installed and submit their receipts to the Road Department for reimbursement

The Road Department will verify the new installation and have a reimbursement check issued in the amount of the receipt not to exceed \$75.00 for the mailbox and/or post only

The updated policy was approved by the Board of Boardman Township Trustees on January 9, 2023.
