EXTENDED BID DATE AND TIME

Sealed Bids for the construction of the Cranberry Run Restoration, for Boardman Township, Ohio will be received by the Boardman Township Road Department at 8299 Market Street until 1:30 P.M., local time, **December 20, 2022** and at that time and place will be publicly opened and read.

The work for which Bids are invited consists of the furnishing of all materials and labor for the combined construction of the following two projects:

The Cranberry Run North Phase One Restoration consists of the construction of approximately 300 LF of stream channel after filling an existing pond and the grading of floodplain benches and wetland cells along approximately 950 LF of stream adjacent to the restoration reach. These areas of stream channel are not to be disturbed during construction. Excess material generated in these areas will be used to create a walking trail throughout the project site.

The Cranberry Run South Restoration project consists of floodplain restoration and reconnection on three properties owned by Boardman Township in Mahoning County, Ohio. This restoration will consist of regrading the stream banks beyond the ordinary high-water mark to establish floodplain connection for the stream channel. Excavated material will be regraded as mounds on-site. All other excess material will be hauled off to a predetermined offsite location. All excavations will be stabilized and seeded following construction.

The total estimated construction cost for the Cranberry Run North Phase One Restoration project is \$132,489.00. However, due to the nature of funding for this project, it has been divided into separate bid schedules. One bid schedule for the area from Wildwood Drive to the southern side of Cadillac Drive with an estimated construction cost of \$99,873.00, and another bid schedule for the area north of Cadillac Drive with an estimated construction cost of \$32,616.00.

The total estimated construction cost for the Cranberry Run South Restoration project is \$68,064.00.
